

CEPREI

CERTIFICATE

No.: CEPREI-WJ-ROB20240801

Applicant: Suzhou Inovance Control Technology Co., Ltd.
Address: No. 52 Tian E Dang Road, Wuzhong District, Suzhou City, Jiangsu Province
Manufacturer: Suzhou Inovance Control Technology Co., Ltd.
Address: No. 52 Tian E Dang Road, Wuzhong District, Suzhou City, Jiangsu Province
Product Name: Heavy duty 6-axis industrial robot
Model: IR-R220-270S7, IR-R130-310S7, IR-R170-270S7, IR-R245-310S7, IR-R300-270S7

According to T/CEEIA 558-2021 "Reliability Testing and Evaluation of Industrial Robots", GB/T 12642-2013 "Performance Specification and Test Methods for Industrial Robots", and "Outline for Accelerated Life Test of Industrial Robot Reliability", reliability testing was conducted on the IR-R220-270S7 industrial robot.

After testing and evaluation, the average time between failures (MTBF) of the IR-R220-270S7 industrial robot has passed 120000 hours of validation.

Note: This certificate must be used in conjunction with the report with identification number BG-WJJSROB240419. The tested model is IR-R220-270S7, and the differences in covered models are detailed in the report.
